

# Recycle For Charities

St. John Neumann School off Polo

Road

Saturday, October 16, 2010 (9 am to 2 pm)

Start collecting items - **it does make a difference!**

Thank you to everyone who came to our first **Recycle for Charity** event last year. It was a huge success for all the participating organizations.

Come join us at **St. John Neumann School (Gym)** on

**October 16, 2010 from 9 am to 2 pm.**

The Knights are once again serving lunch. **After dropping off your recycling items in the Gym** stop by and meet the animals that are up for adoption.

Maybe you are interested in adopting or being a foster parent to lonely animals who need your love?

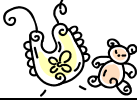

Seniors who would like an older pet companion can be a foster parent for an animal without the medical cost.

Great way for children to see if they are ready to have a pet - and the parents do not have the medical expense while caring for this animal (cat or dog any age).

Teens will be available to help you carry in the donations, **but you have to come inside** and distribute your items to the appropriate organizations. *Teens can not do that for you!*

Our goal is not to waste paper or money by promoting this event. **You CAN post the list on your refrigerator and update it on one sheet of paper as a reminder on what to save for the organizations.**

For updates: *Check the Church Web Site / Church Social Hall Bulletin Board / Church Bulletin.*

Organization	Request	Request	Request	Request
<b>Lions Club</b>		Eye Glasses	Hearing Aids

Brownie Troop # 1463 will host an activity table for your kids to enjoy. Sonoco representative, Jane Hiller will also host a table on learning how to recycle at your schools and more ideals.

Children's Garden off Clemson road will host a table to offer information on all the wonderful activities you and your child can sign up for and learn about the environment and species in South Carolina.

St. John Neumann School will host a table to collect used tennis shoes for those who did not have any to wear.

Do not forget to stop by the Columbiettes table and see what they have to offer.
